Dear Sir,

I am glad to know that you were satisfied with the program organized by us. Yes, a bit disappointed that this time I could not be a part of this program due to being busy with my family functions. Thank you very much for donating Rs.25000/- in the Forever Siddharth scholarship. This amount is a gift for those poor childrens who dream of participating in such a program, but cannot participate in it due to financial constraints.

Hope you have also seen our land near Kasol, in which we are going to make a world class hostel for the youth in future. We need your valuable guidance for this project as well.

In our place also, the sister's marriage ceremony has been completed well. We returned to Delhi only yesterday. God willing, we will definitely meet next year.

My best regards to madam. Lots of love and blessings to Saurya.

Regards,

Rupesh K. Pandey
