A hand-drawn purple banner with the word "TOGETHER" written in large, bubbly, outlined letters. The banner is angled downwards from the top left. Below the banner is a collage. On the left, there's a circular Bacardi logo with a red and yellow design of a bird or dragon-like creature. To its right, the word "BACARDÍ" is written in white capital letters. At the bottom left, there's a yellow and black logo with the letters "NH". To the right of the Bacardi logo is a white rectangular card with the words "MEE KEE" printed on it in large, bold, black letters. The letters are partially cut off at the bottom edge of the card.

Dearest Phuggie, Twuy!

To create these two pages
I had to go through our pictures
and happen to wait a lot of memories...

I remembered countless hours we spent on prepanations right from getting our biker serviced to our numerous visits to Nanapha. Our lengthy discussions regarding route, climate, effective and inexpensive riding gear, & finding XXXL rain gear!!

Then your resourfulness and railway contact to get our bikes booked on trains was a blessing. From lit bitch-slap Delhi thunder storm, lit potout mix of Dianox and Brufen, through More plains, three biker & two indus, hunger-games (you know what I mean) mountain sickness, crazy rides at river-crossings, emotional outbreaks, mood swings, long-night, slow-reaching - destination - days on saddle; I REMEMBERED THEM ALL!!

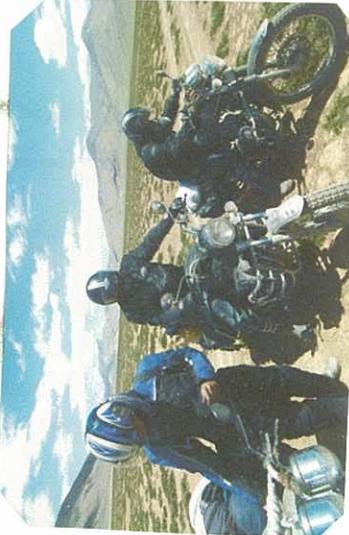

I realised that if it wasn't for you I would have not had these set of experiences. But since I did I am dedicating these two pages to Sidhu, Amit and myself.

Cheers To A MAD MAN

AND

The MADDEST OF TIMES!

"Practice SAFE SEX.

Get MARRIED"

The day we realized
brake fluid is an
amazing flame thrower!!

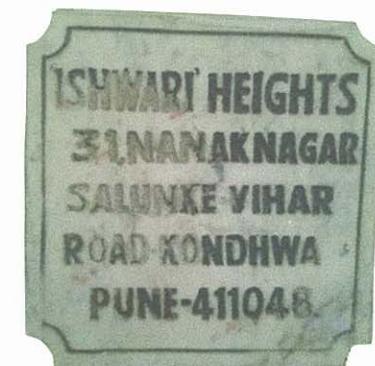

The day we realized
we need to keep fish

The fateful phone call
"Bhai, meva wallet abr
cell phone dekha kya?"

The endless cribbing about
how we need to do something
and end up doing nothing.

The breakfasts that
never happened &
the one's that did

The mad drinking
times that will
never be the same:

The endless f-raybands
and night-long
carrom tournaments!

The generic reaction to
anything new or strange
"ge kya chutiyaaap hai?"

The endless BBT
top gear & channel
arguments!

THI THI THI JIIIIIIII!!!
 My Phoogalicious, I will miss
 everything, your smile, your shakes,
 your jiggles, but most of all those
 nights we played carrom where you
 blew those warm Phooos into my ear;
 and i rubbed your leg with my fingers
 sliding thru your delicate and
 rough leg hair. I will never forget
 that touch,....in all ways....muahah!!!

Fuglu Sidlu Kuttikamini
 Hum tunko bahut miss

I don't think I've

I'm sure it will be
awesome :) Have an
amazing time in Dubai.

My Best memory is of you
encouraging me to do well in
my MBA exams was always
there to help. One day I told u I
can't understand ratio & proportions
and you told me Gina, you out of
everyone shud get it considering
your skills at baking. U deal with ratio
& proportions daily. So don't worry just
think with your baking mind!

The first time I met you
was in the Belgaum ride
with you & CB. You've
been a closer friend than
my Mustang. Love you loads
Miss you !!!

There were about forty birds. I
believe it's probably significant
that the first bird I saw was a
GOD SPEED;
the second was a
Fugger;
the third was a
Herring;
P.S.: Don't spread
syphilis!

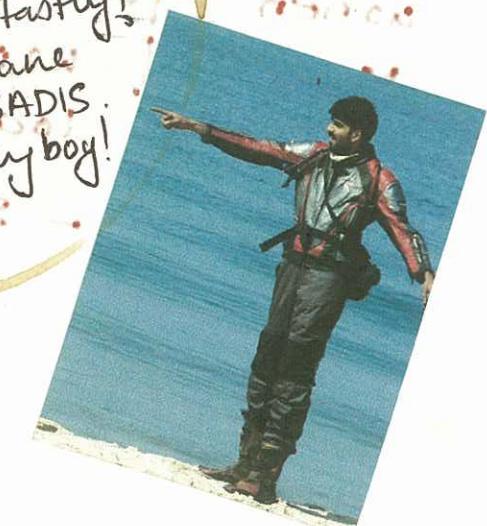

One day we will
sit in Paris and smoke
cigars and drink
expensive whiskey.
Till we meet again
Adios!!

syd. i'm trying to remember one moment or memory or funny story that you can read and look back to as the single greatest time we've shared over the past 10 years. i can't believe it's been that long. but i'm drawing a blank. wow... 10 years, and i've got nothing. all i can think of is that when i was talking to sidhu a few weeks ago and how he mentioned that you & him don't always talk a lot but you still consider each other to be the best of friends. and i can't help but feel the same way. you're one of the few people i know who got along with everyone, and i know how difficult that can be; i know people can get lazy when they go away. i did. but somehow, you manage it. and that's awesome man. so, since i'm so sure that your departure isn't really going to affect anything, i'm not going to mention an old memory, but wait for the next one. let's go to coffee jar; make a plan. Good luck fugge! \m/

Here I am again,
always saying
good bye :)
noade of hulk &
love

Fuggy! Instead of
a bike ride to FUGEWADI,
we have decided to take a

Make many many Monies &

Will miss the insane
parties! The BARBADIS.
Take care, buddy boy!

Syd boy!
Make a million and
come back really soon...
All of us will be on a high
for a few months then! ;)
Gonna miss you mate...
Cheers!

My pictures speak

And u have been
CAPTURED!

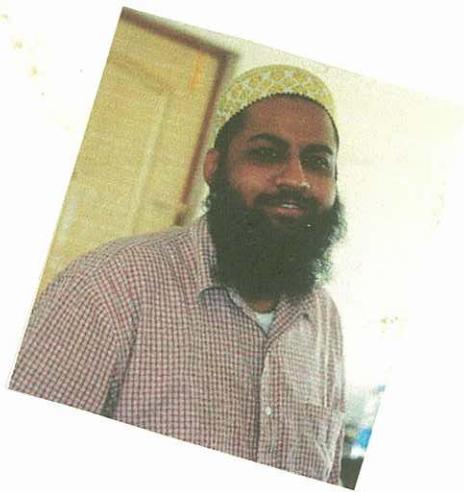

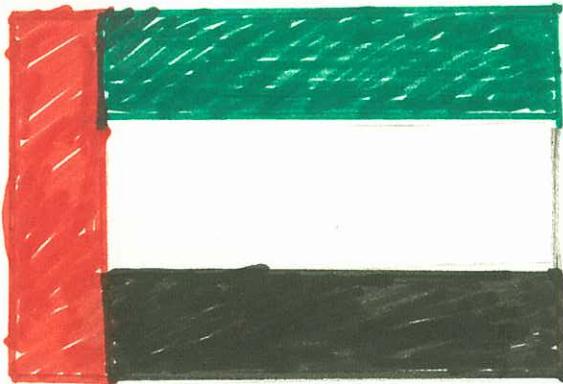

I have known you
and for almost a decade now.
From first day @ engineering to numerous
evenings spent @ Far, it's been a hell of
a ride. From one rider list in more plains,
running out of food supplies to riding
together to let honest motor-age road,-
I cherish them all. I have gotten used to
having you as a part of all my plans with
you being just a few river crossings away.
If you cross over let ocean
for some time, I wish you Godspeed.
Farewell my friend, confidante &
trusted riding buddy.

You know you
are not at home when
you think you should drive
the speed limit. The only
thing Phugga I know! Rem. u
R just going for awhile. The
friends u have earned here
are gems. I have neither
known nor seen such camar-
aderie I value them even if u
run away. Go Sheikh Dubai with
the niggles niggles niggles!

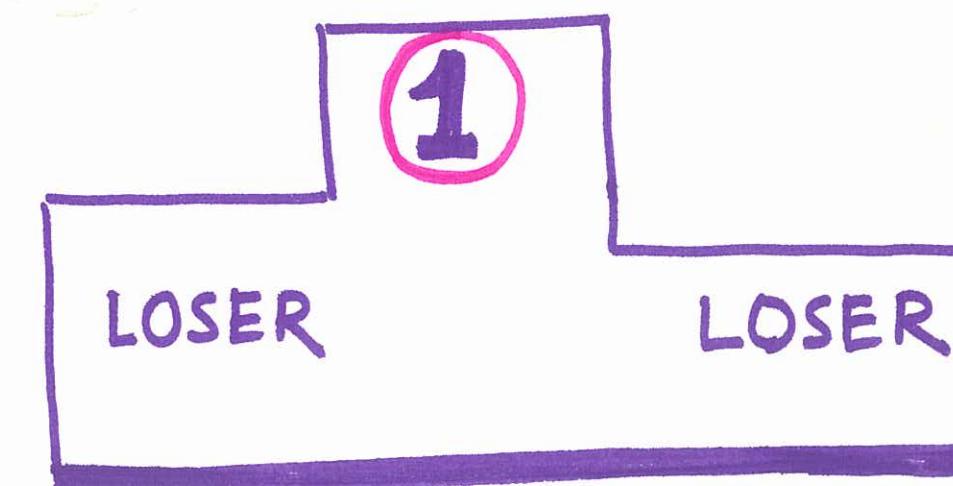

M'a Salama HABIBI!

Phugga, Ahlan Wa Sahlan
to the land of beautiful women,
camels, well groomed men,
hot sand & fast cars.....
See You Soon!!

On to new adventures
my friend! And as we say
it in this part of the world,
Marhaba, Ahlan Wa Sahlan!

BEING PHUGGA...

This groundbreaking work which has rocked the Indian underworld is considered the most chilling story of a quirky gangster. He is known to all as the 'Phugga'.

We do not no why. We dare not ask the question.

"Phugga Ko Pakadna Mushkil Hi Nahi. Na Mumkin Hai"

- Gyarah mulkon ki police inspector

"Phugga ke dushman ko hamesha yeh baat yaad rakhni chahiye, ke Phugga kabhi kuch nahi bhulta." - Undisclosed dushman

"Well, I believe in God, but the only thing I fear is Phugga Man"

- Salman "Sallu Bhai" Khan
